Ypsilanti, MI 48197
July 28, 2010

Enclosed you will find order forms and information on the 2010 Interstate Batteries Fund Raiser, you should start this with your team asap, every player will make a 50% profit on each sale that will go towards their \$200.00 in fund raising. I am also working with the Leelanau Coffee Roasting Company, who we worked with last year, to give everyone another option, when I get things worked out with them I will be sending you information on that program. Remember that the season passes go towards each players fund raiser also, there will be information on season passes coming very soon. The following is the procedure for the Interstate Batteries fund raiser:

- 1) Make sure all order forms are filled out legibly with the team and players name.
- 2) Fill in the customer's name, address, and telephone #. Write in the quantity of the product that they would like, total it in the far right column and collect their money.
- 3) All checks should be made out to the CFL-MI.
- 4) We will run this fund raiser until Wednesday August 16th at which time all orders and money should be sent to the above address.
- 5) You will be contacted with information on where and when to pick up your product when we receive it.
- 6) Make sure that you keep track of each player's fund raising total profits.

Feel free to also have your own fund raiser if these do not work out for you, we are giving these as our main fund raisers and would like everyone to use these, but, remember that each players fund raising must be done by August 25th in order to play. If you have any questions **PLEASE** give me a call at 734-845-6374. Enjoy yourselves and happy selling! We are looking forward to a great time in **Gods** league this year!

In Christ,

William Rider Jr
Vice President CFL-MI
